                                                                To the Big Apple,
Intro:
                                                                To get into some trouble.
                                                                But honestly, I Would rather see you
Life's a dream, and we are the dreamers.
                                                                Than be sleepin' around, bein' a clown,
                            A (x7) (Toca pra baixo)
And lately I've been dreamin' of you.
                                                                Playin' a fool, and then FALLING DOWN.
                                                                I just wanna see you..
Call me crazy, But maybe, baby,
                                                                I just wanna see you.
Imma hoppin' on an aero-plane
                                                                I really need to see you...
To see YOU again , My friends are gonna hate me.
                                                                AGAIN.
I told 'em I was leavin' on an air-plane
                                                                I just wanna see you..
To the Big Apple,
                                                                I just wanna see you.
To get into some trouble.
                                                                I really need to see you...
But honestly, I Would rather see you
                                                                AGAIN.
Than be sleepin' around, bein' a clown,
                          D7
                                                                I just wanna see you..
Playin' a fool, and then FALLING DOWN.
                                                                I just wanna see you.
I just wanna see you.
                                                                I really need to see you...
( Intro )
                                                                I'm HOPPIN' ON AN AIRPLANE. YEAH. (2x)
Life's a trip, and this is a journey.
                          A(7x para baixo)
                                                                G
I've COME...
Gb
And lately I've been travelin' to you.
                                                                                    Rm
                                                                To see YOU again , My friends are gonna hate me.
                                                                I told 'em I was leavin' on an air-plane
Call me crazy,
                                                                To the Big Apple,
But maybe, baby,
                                                                To get into some trouble.
                                                                But honestly, I Would rather see you
