

NeverShoutNever - Cute Without The e

```
Tom: E
                                                              This song was only wishful thinkin
   C#m, A, E, B
                                                              C#m, A, E, B
                                                              C#m, A, E, B
Your lipstick, his collar.. don't bother Angel
                                                              Hoping for the best just hoping nothing happens
I know exactly what goes on
                                                              A thousand clever lines unread on clever napkins
Dont bother trying to explain angel
                                                              I will never ask if you don't ever tell me
I know exactly what goes on when your on and
                                                              I know you well enough to know you never loved me
How about I'm outside of your window
                                                              Why can't I feel anything
           Α
How about I'm outside of your window
                                                                   Е
                                                              from anyone other than you?
                                                              Why can't I feel anything
And will you tell all your friends
            В
you've got your gun to my head
                                                              from anyone other than you?
This song was only wishful thinkin,
                                                              C#m, B, A
This song was only wishful thinkin
                                                                      Dbm B A
                                                              And all of this was all your fault
          Α
And will you tell all your friends
                                                                      Dbm B A
                                                              And all of this
You've got your gun to my head
This song was only wishful thinkin,
                                                              I stay wrecked and jealous for this,
This song was only wishful thinkin
                                                              for this simple reason
Let's go...
                                                              I just need to keep you in mind
                                                                          В
                                                              as something larger than life
Dont bother trying to explain angel
I know exactly what goes on when your on and
                                                              I stay wrecked and jealous for this,
Dbm A
                                                                     В
                         E
How about I'm outside of your window
                                                              for this simple reason
                                                              Dbm
How about I'm outside of your window
                                                              I just need to keep you in mind
                                                                      В
                                                              as something larger than life
And will you tell all your friends
                                                              I stay wrecked and jealous for this,
you've got your gun to my head
                                                              for this simple reason
