

# NeverShoutNever - Here Goes Nothing

Tom: E

**A**  
 If timings everything  
**Dbm**  
 stop telling me you're taking your time  
**Bm**  
 I know you're anxious  
**A**  
 But you're running your mouth like you're five  
**Dbm**  
 Years old again  
**Bm**  
 It's so hard to pretend  
**A**  
 Like I know everything  
 I dont know anything  
**Dbm** **Bm**  
 I wanted you to see  
 That I got nothin  
**A** **Bm** **Dbm** **Bm**  
 I'll sit back and I'll watch the show, Yeah I'll watch the  
 show  
**A** **Bm** **Dbm** **Cm**  
 I'll lay awake and I'll watch the stars as they collide  
**Dbm** **Bm**  
 My eyes they do see  
**E** **Bm** **Cm**  
 I don't breathe the way I used to  
**Dbm** **Bm**  
 My lips they don't sing  
**E** **Bm** **A**  
 I won't be the way I was on that night  
 ( **A** **Bm** ) (4x)  
**A** **Bm**  
 Steady breathing is all I can advise  
**A**  
 To a girl with a sweet tooth for revenge  
**Bm**  
 I know I'm crazy but it's so hard to pretend

**A**  
 Like I know everything  
 I dont know anything  
**Dbm** **Bm**  
 I wanted you to see  
**A** **Bm** **Dbm** **Bm**  
 I'll sit back and I'll watch the show, Yeah I'll watch the  
 show  
**A** **Bm** **Dbm** **Cm**  
 I'll lay awake and I'll watch the stars as they collide  
**Dbm** **Bm**  
 My eyes they do see  
**E** **Bm** **Cm**  
 I don't breathe the way I used to  
**Dbm** **Bm**  
 My lips they don't sing  
**E** **Bm** **A**  
 I won't be the way I was on that night  
**A** **Bm**  
 Was the night everbody agreed I was wrong about you  
**Dbm**  
 I told them you were being so strong  
 I knew you were a liar  
**Bm**  
 I knew you were a liar from the start  
 (x2)  
**A**  
 Don't treat me like I'm playing a game  
**Bm**  
 Cause baby I don't want to lose  
**Dbm** **Bm** **A** (hold)  
 Baby I don't want to risk it all for you  
**Dbm** **Bm**  
 My eyes they do see  
**E** **Bm** **Cm**  
 I don't breathe the way I used to  
**Dbm** **Bm**  
 My lips they don't sing  
**E** **Bm** **A**  
 I won't be the way I was on that night
