

# NeverShoutNever - Heregoesnothin

Tom: Ab

If timings everything  
stop telling me you're taking your time

I know you're anxious

But you're running your mouth like you're five

Years old again

It's so hard to pretend

Like I know everything

I dont know anything

I wanted you to see

That I got nothin

I'll sit back and I'll watch the show, Yeah I'll watch the show

I'll lay awake and I'll watch the stars as they collide

My eyes they do see

I don't breathe the way I used to

My lips they don't sing  
I won't be the way I was on that night

Ab Bb Ab Bb x2

Steady breathing is all I can advise

To a girl with a sweet tooth for revenge

I know I'm crazy but it's so hard to pretend

Like I know everything

I dont know anything

I wanted you to see

I'll sit back and I'll watch the show, Yeah I'll watch the show

I'll lay awake and I'll watch the stars as they collide

My eyes they do see

I don't breathe the way I used to

My lips they don't sing  
I won't be the way I was on that night
