

NeverShoutNever - I Love You More Than You Will Ever Know

Tom: **C**

Verso 1:

C
Oh I know that I am here, and you are there **Em**
F
but we still have our love,
C **G**
we move just like the moon and sun
C
the sun comes up the moon rolls down,
Em **F**
a world apart but they dont make a sound
C **G**
they know their love spins us round

Refrão:

Am **F**
ive been to heaven, ive been to hell
C **G**
ive been to vegas, and god knows where
Am **F** **C**
but nothing feels like home like you babe
G
I love you more than you will ever know

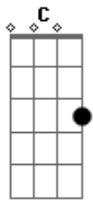

Verso 2:

C **Em**
Oh ive got my car and my guitar,
F
A couple pills a couple scars **G**
C
But I made a wish on a lonesome star
C
Star oh star you shine so bright
Em **F**
wont you grant me one small wish tonight
C **G** **F** **Fm**
That I wont die on this destructive path of mine

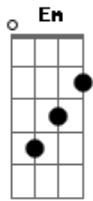

Refrão:

Am **F**
ive been to heaven, ive been to hell
C **G**
ive been to vegas, and god knows where
Am **F** **C**
but nothing feels like home like you babe
G **Dm** **C** **F**
I love you more than you will ever knoo hooo hooow
Dm **C** **F**
Than you will knoo hoooo hoow
G **C**
Dear I love you more than you will ever know
