

NeverShoutNever - If You Go Leave Your Key In The Mailbox

Tom: F

You've been talking 'bout leaving for 2 weeks
 and counting well can't you just makeup your mind
 I like a girl who is true to her word but more
 than that a girl who is true to her heart
 So if you go if you go let me know
 let me know that your gone
 and your not coming back
 cause i wouldn't have that
 So the hours were creeping and you keep repeating
 you never have felt so alone
 but babe i told you last week that
 my heart was to keep if you told
 me that you would stay home
 So if you go if you go let me know

let me know that your gone
 and your not coming back
 cause i wouldn't have that
 and if you stay if you stay tell me right away
 ill give you one last chance
 to pull my heart strings
 Baby all i ever wanted for you was the
 best but i guess your second guess
 was your best bet to get out of this town
 but it brought you farther down down down
 just like i was with my heart on a thread and
 my soul on a run well ill give you one last chance
 Harmonica part:
 Dm, G7, C, A7
 so if you go if you go let me know let
 me know that your gone
 and your not coming back
 so i can have my heart back
