

NeverShoutNever - Losing It

Tom: G

^G All we ever did was ^D move around

I was always the new kid

Never the cool kid

^G All I ever wanted to do

Was to fall in love

Just to be in love

^{Em} But my heart was racing

My mind was screaming

You've got your whole life

To do these things

^{Em} But my legs were shaking

My hands were searching for

Her in the backseat of my car

I just lost it
And I can't believe it

^G I knew I was only ^D sixteen

But I thought I loved her

And it'd last forever

^G But only if I knew

That she wasn't true

How could she do this to me

^{Em} But my heart was racing

My mind was screaming

You've got your whole life

To do these things

^{Em} But my legs were shaking

My hands were searching for

Her in the backseat of my car

I just lost it
And I can't believe it
