

# NeverShoutNever - Losing It

Tom: G

<sup>G</sup> All we ever did was <sup>D</sup> move around

I was always the new kid

Never the cool kid

<sup>G</sup> All I ever wanted to do

Was to fall in love

Just to be in love

<sup>Em</sup> But my heart was racing

My mind was screaming

You've got your whole life

To do these things

<sup>Em</sup> But my legs were shaking

My hands were searching for

Her in the backseat of my car

I just lost it

And I can't believe it

<sup>G</sup> I knew I was only <sup>D</sup> sixteen

But I thought I loved her

And it'd last forever

<sup>G</sup> But only if I knew

That she wasn't true

How could she do this to me

<sup>Em</sup> But my heart was racing

My mind was screaming

You've got your whole life

To do these things

<sup>Em</sup> But my legs were shaking

My hands were searching for

Her in the backseat of my car

I just lost it

And I can't believe it
