

NeverShoutNever - Meet Me Under The Mistletoe (feat. Dia Frampton)

Tom: B

^B
Darling, won't you tell me
^E
What you're doing later on tonight?
^B
Tonight

^B
My daddy said you're bad news
^E
And I gotta keep you out of sight
^B
But I might

^B
Sneak out of the chimney
^E
And bring my favorite dancing shoes
^B
I'll find you

^B
Don't you worry, girl
^E
I'll bring the winter wonderland to you
^B
All for you

^B ^E ^{Gb}
Meet me under the mistletoe
^B ^E ^{Gb}
Baby, don't try and tempt me more
^A ^D ^E
Baby, I'll be by your side

^B ^E ^{Gb}
Kiss me under the mistletoe
^B ^E ^{Gb}
I should really be getting home
^A ^D ^E
Baby, let's do Christmas right
^{Gb} (strum and let ring) ^B
So meet me under the mistletoe tonight

^B
I'm waiting on the corner
^E
But you're late and that's no big surprise
^B
It's midnight

^B
Darling, hold your horses
^E
The reason that I'm running behind
^B
Is that I

^B
Stole Santa's reindeer
^E
Gonna take you on a sleigh ride
^B
So hold tight

^B
Well, I refuse to go
^E
Unless Rudolph is the guiding light
^B
In our sky
^E ^B (strum and let ring)

^B ^E ^{Gb}
Meet me under the mistletoe
^B ^E ^{Gb}
Baby, don't try and tempt me more
^A ^D ^E
Baby, I'll be by your side

^B ^E ^{Gb}
Kiss me under the mistletoe
^B ^E ^{Gb}
I should really be getting home
^A ^D ^E
Baby, let's do Christmas right
^{Gb} (strum and let ring) ^B
So meet me under the mistletoe tonight

^B
We don't need no presents
^E
'Cause your love's the greatest gift of all
^B
It's true love

^B
We don't need no boxes
^E
Wrapped in ribbons, topped with bows
^B
'Cause I know

^B
All I want for Christmas
^E
Is a kiss under the mistletoe
^B
So come close

^B
'Cause when our lips meet
^E
I feel a fire in the winter cold
^B
It melts the snow
^E ^B (strum and let ring)

^B ^E ^{Gb}
Meet me under the mistletoe
^B ^E ^{Gb}
I'll be waiting to keep you warm
^A ^D ^E
Baby, I'll be by your side

^B ^E ^{Gb}
Kiss me under the mistletoe
^B ^E ^{Gb}
Don't peek, keep your eyes closed
^A ^D ^E
Baby, let's do Christmas right
^{Gb} (strum and let ring) ^B
So meet me under the mistletoe tonight
