

## NeverShoutNever - On The Brightside

Tom: C

Am E  
 I met a man of 2 feet tall  
 C7  
 This man was quite ambitious  
 F G  
 In a world that is so vicious  
 Am E  
 To us all, I said "hi"  
 C7  
 As he replied, he said  
 F G C  
 Listen to these words that I have lived by my whole life.

Am E  
 Your only as tall  
 F  
 As your heart will let you be  
 G  
 And your only as small  
 C  
 As the world will make you seem  
 Am  
 And when the going gets rough  
 F  
 And you feel like you may fall  
 G  
 Just look on the bright side  
 Am  
 Your roughly six feet tall

Am E  
 I met a man of 12 feet tall  
 C7  
 He towered like a giant  
 F G Am  
 In a world that was defiant of his height  
 E C7  
 I said "hi" as he replied, he said  
 F G C  
 Listen to these words that I have dreaded my whole life.

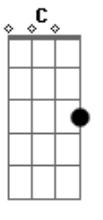

Am

Your only as tall  
 F  
 As your heart will let you be  
 G  
 And your only as small  
 C  
 As the world will make you seem  
 Am  
 And when the going gets rough  
 F  
 And you feel like you may fall  
 G  
 Just look on the brightside  
 Am  
 Your roughly six feet tall

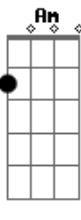

Am E  
 I am a man of six feet tall  
 C7  
 Just looking for some answers  
 F G Am  
 In a world that answers none of them at all  
 E C7  
 I'll say "hi" but not replied  
 F  
 To the letters that you write  
 G C  
 Because i found some piece of mind

Am  
 Cause I'm only as tall  
 F  
 As my heart will let me be  
 G  
 And I'm only as small  
 C  
 As the world will make me seem  
 Am  
 When the going gets rough  
 F  
 And it feels like I may fall  
 G  
 I'll look on the brightside  
 C  
 I'm roughly six feet tall
