

# NeverShoutNever - Skyhighstandard

Tom: C

i don't know how to put this right  
Except we're screaming at the stoplights now  
And i can't breathe,woo  
( C Am F G )

I got the notion through all this commotion  
That i was in the wrong  
Through trial and error  
I found myself holding on to things i hate

If i had a dime for every apology  
That i never said i'd be a rich man

Where do i go when no ones home  
Where do i run when i'm alone, alone  
Where do i hide when i'm afraid  
Afraid the world is gunna change,without me

( C Am F G )

I srategize, playing tic tac toe or dominoes  
Anyhting to get, me through the day  
I strategize, playing tic tac toe or dominoes  
Anything to get, me through the day

This is me trying to live my life  
With your standards, your god awful standards  
They wiegh me down, ohh

Where do i go when no ones home  
Where do i run when i'm alone, alone  
Where do i hide when i'm afraid  
Afraid the world is gunna change,without me

Where do i go when no ones home  
Where do i run when i'm alone, alone  
Where do i hide when i'm afraid  
Afraid the world is gunna change,without me
