

NeverShoutNever - Smelyalata

Tom: C

I know that I've been dancing around the truth

Tell me what the hell I'm supposed to do

And I, I'm a little bit aggitated

With a slight scent of denile

I'm calling all the time I know I interupt

But it hurts when all I hear is you hanging up

La da da da da da da

I wont try that again

I'm calling all the time I know I interupt

But it hurts when all I hear is you hanging up

La da da da da da da

I wont try that again

Everybody's going to the party and were having a good time

I'm feeling alright tonight with a better judgement

Everybody's going to the party and were having a good time

I'm feeling alright tonight with a better judgement

I'm feeling alright tonight with a better judgement

I'm calling all the time I know I interupt

It hurts when all I hear is you hanging up
