

# NeverShoutNever - This Shit Getz Old

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa)

If you're looking for me

I'd suggest you look in the last place

That you will ever find me

'Cause I'm going out

With all my friends tonight, for once

And if you can do one whole thing

Then I'd suggest you go out too

And smile up a storm

'Cause we're all as sad

As you think that you are

So just smile

(refrão)

Cause I've been

Looking up, looking down, looking side to side

Wondering why this world is the way that it is

And why my momma cries

Every night when I'm trying to rest my head

On the floor

Half-stoned thinking "damn, this shit gets old"

( Am F C E ) (3x)

( Am C G )

Am C G

So if you have a problem

I'd thoroughly suggest you look within

Before you go and blame someone else

Whose been blaming someone else

Their whole life

And I know we all got problems

But we got a bigger problem

We've been falling into pieces

And our power hides the knowledge

We've been working our whole damn lives;

But for what?

For them

Cause I've been

Looking up, looking down, looking side to side

Wondering why this world is the way that it is

And why my momma cries

Every night when I'm trying to rest my head

On the floor

Half-stoned thinking "damn, this shit gets old"
