

NeverShoutNever - Trampoline

Tom: G

And who would've thought
That a cutie-pie just like you
Would've anything to do
With a smelly dude like me

I find it hard to believe

And who would've thought
That you ever would've kissed my cheek,
In your backyard,
On your trampoline tha--t ni-ght

I never put up a fight

And I know that you're all shook up

From a terrible relationship

He broke your heart,

Yeah, he tore it into pieces

But I promise you dear,

I'll never touch you like he did

So baby, please take my hand, and you'll never be alone
again...

(Bm G A D)

(Bm G)

And every single time I look into your eyes

I see a little bit more sunshine

I feel a little bit more like me

Instead of who I turned out to be

I wouldn't trade it for a thing

Could I call you my baby?

And I know that you're all shook up

From a terrible relationship

He broke your heart,

Yeah, he tore it into pieces

But I promise you dear,

I'll never touch you like he did

So baby, please take my hand, and you'll never be alone
again...

Cause I know he broke your heart, but I'll love you 'til the
end...

So baby, please take my hand, and you'll never be alone
again...

So baby, please take my hand, and you'll never be alone
again...

So baby, please take my hand, and you'll never be alone
again...

So baby, please take my hand, and you'll never be alone
again!
