

New Found Glory - Its Not Your Fault

tom:

A

[Tab - Intro]

It was a cold California
 Even in the summer
 She was wrapped in a blanket by the pool
 There were rapid statements
 About life commitments
 A sense of heat that I couldn't bare to touch

I couldn't bare it

It's not your fault so please stop your crying now
 It's not your fault so please stop your crying now
 Please stop your crying now

There was staring and seclusion
 A fine tuned way of motion
 A face wrapped for a suitor
 The sound of hearts pumping at the same beat
 Coming 'round the corner
 In almost all directions

A sense of heat that I couldn't bare to touch
 No, I couldn't bare it

It's not your fault so please stop your crying now
 (It's not your fault so please stop your crying now)
 It's not your fault so please stop your crying now
 (It's not your fault so please stop your crying)

Now you, wait for, something, to cure this
 Well I'm here, under your downpour

It's not your fault so please stop your crying now
 It's not your fault so please stop your crying

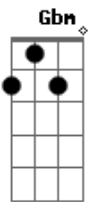

It's not your fault

It's not your fault so please stop your crying now
 (It's not your fault so please stop your crying now)
 It's not your fault so please stop your crying now
 (No, woah)
 It's not your fault so please stop your crying now
 (No woah, no woah) (It's not your fault so please stop your crying now)
 It's not your fault, stop crying now
 (No)
