

# New Found Glory - Its Not Your Fault

tom:

A

[Tab - Intro]

It was a cold California  
 Even in the summer  
 She was wrapped in a blanket by the pool  
 There were rapid statements  
 About life commitments  
 A sense of heat that I couldn't bare to touch

I couldn't bare it

It's not your fault so please stop your crying now  
 It's not your fault so please stop your crying now  
 Please stop your crying now

There was staring and seclusion  
 A fine tuned way of motion  
 A face wrapped for a suitor  
 The sound of hearts pumping at the same beat  
 Coming 'round the corner  
 In almost all directions

A sense of heat that I couldn't bare to touch

No, I couldn't bare it

It's not your fault so please stop your crying now  
 (It's not your fault so please stop your crying now)  
 It's not your fault so please stop your crying now  
 (It's not your fault so please stop your crying)

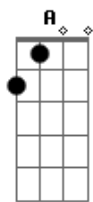

Now you, wait for, something, to cure this  
 Well I'm here, under your downpour

It's not your fault so please stop your crying now  
 It's not your fault so please stop your crying

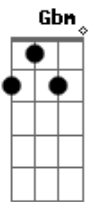

It's not your fault

It's not your fault so please stop your crying now  
 (It's not your fault so please stop your crying now)  
 It's not your fault so please stop your crying now  
 (No, woah)  
 It's not your fault so please stop your crying now  
 (No woah, no woah) (It's not your fault so please stop your crying now)  
 It's not your fault, stop crying now  
 (No)
