

New Hope Club - Crazy

Tom: G

I'm a prisoner in my old life
 I'm a prisoner in my own mind
 I don't wanna have to hide anymore
 I don't wanna have to fight anymore
 If we lay it on the table
 Neither one of us is stable
 I'm the only one who fell on the sword
 I'm the only one who hurts anymore

You keep on pointing the fingers
 But you're not any right
 Whatever's helping you sleep, babe

Go ahead and say that I'm crazy

That's what you made me
 You're crazy too
 Go ahead if you need to hate me
 Say that I'm crazy
 But you're crazy too

I'm just stupid enough to love you (to love you)
 Foolish enough to care (to care)
 Crazy enough to be crazy over you

You've been talking all the nonsense
 Baby, you aint making no sense
 Neither one of us should talk anymore
 Cause its never gonna even the score
 I aint saying I dont miss you
 I just deal a little different
 Put the memories away in the drawer
 I dont wanna have to hurt anymore

You keep on throwing the stones
 But I'm tired of throwing back
 Whatever's helping you sleep, babe

Go ahead and say that I'm crazy

That's what you made me
 You're crazy too
 Go ahead if you need to hate me
 Say that I'm crazy
 But you're crazy too

I'm just stupid enough to love you (to love you)
 Foolish enough to care (to care)
 Crazy enough to be crazy over you
 I know I've got a couple issues (issues)
 Baby I'm well aware (aware)
 Crazy enough to be crazy over you

Don't say that I didn't warn you
 That I was out of my mind in the first place
 Could have sworn that I told you
 I told you, I told you, I told you
 Don't say that I didn't warn you
 That I was out of my mind in the first place
 Could have sworn that I told you
 I told you, I told you, I told you

You keep on throwing the stones
 But I'm tired of throwing back
 Whatever's helping you sleep, babe

Go ahead and say that I'm crazy
 That's what you made me
 You're crazy too
 Go ahead if you need to hate me
 Say that I'm crazy
 But you're crazy too

I'm just stupid enough to love you (to love you)
 Foolish enough to care (to care)
 Crazy enough to be crazy over you
 I know I've got a couple issues (issues)
 Baby I'm well aware (aware)
 Crazy enough to be crazy over you

Crazy enough to be crazy over you
