Bm D
I see you talking to your friends

I think I know one of them

Maybe this could be my chance

Bm D
When you walk right through that door

You see my eyes; I see yours

Maybe this could be our dance

Bm D
Follow me, won't disappear

Gbm
I can't believe

Bm
That you were just a

Friend of a friend

Feels like 11:11

And now you're more than a friend

I'll never let you go, let you go

Touching you is paradise

A place I've never been before

Never fell in love like yours
