Tom: Db
 (com acordes na forma de C )
Capostraste na 1ª casa
Intro: C G F C G F
 People come and go
But you always just seem
G
 To stick around and show
That you are into me
Woah
You left at ten in the morning
Woah
Why are you still on my mind?
Don't worry about our plans
'Cause I got those in my hands
Yeah
C G F
                          C
             Am
My room still smells of your perfume
It's like I'm lying here next to you
Trying to figure it out what you're all about
And I don't wanna lose
            G F
The smell of your perfume
From my room
( C G F ) ( C G F )
When I'm feeling down
You always just seem
 To cheer me up somehow
By lying next to me
Woah
 You're here at ten in the morning
