

New Hope Club - Water

Tom: Bb

^{Gm}
I've been swimming through the noise

^{Bb}
But somehow I hear your voice

^{Bb}
Breaking through

^{Gm}
I'm a frozen castaway

Catching fire from everything

^{Em} ^G
That you do, oh

^{Gm}
There was a desert in my soul

But now my river overflows

^{Bb}
And I drown to get a little bit closer

^{Cm} ^{Dm}
Drawn to the flames, ain't nobody like you

^{Eb} ^{Gb}
You got me falling like the rain

^F ^{Cm}
As my body turns to water, water (water)

^{Eb} ^{Gm}
Got me feeling your heatwave

^F ^{Cm}
Girl you turn my ice to water, water (water)

^{Eb} ^{Gm}
When you talk it keeps getting harder

Every word is taking me higher

^F ^{Cm}
Closer to the sun when I'm with you

^{Eb} ^{Gm}
You got me falling like the rain

^{Eb} ^F ^{Cm}
As my body turns to water, water (water)

^{Gm}
I'm the canvas, you're the art

It's a mess when we're apart

^{Bb}
So lost, no

^{Gm}
When I see your silhouette

It's like sirens in my head

^{Bb}
Setting off, whoa

^{Gm}
There was a desert in my soul

But now my river overflows

^{Bb}
And I drown to get a little bit closer

^{Cm} ^{Dm}
Drawn to the flames, ain't nobody like you

^{Eb} ^{Gb}
You got me falling like the rain

^F ^{Cm}
As my body turns to water, water (water)

^{Eb} ^{Gm}
