

# New Hope Club - Water

Tom: Bb

<sup>Gm</sup>  
I've been swimming through the noise

<sup>Bb</sup>  
But somehow I hear your voice

<sup>Bb</sup>  
Breaking through

<sup>Gm</sup>  
I'm a frozen castaway

Catching fire from everything

<sup>Em</sup> <sup>G</sup>  
That you do, oh

<sup>Gm</sup>  
There was a desert in my soul

But now my river overflows

<sup>Bb</sup>  
And I drown to get a little bit closer

<sup>Cm</sup> <sup>Dm</sup>  
Drawn to the flames, ain't nobody like you

<sup>Eb</sup> <sup>Gb</sup>  
You got me falling like the rain

<sup>F</sup> <sup>Cm</sup>  
As my body turns to water, water (water)

<sup>Eb</sup> <sup>Gm</sup>  
Got me feeling your heatwave

<sup>F</sup> <sup>Cm</sup>  
Girl you turn my ice to water, water (water)

<sup>Eb</sup> <sup>Gm</sup>  
When you talk it keeps getting harder

Every word is taking me higher

<sup>F</sup> <sup>Cm</sup>  
Closer to the sun when I'm with you

<sup>Eb</sup> <sup>Gm</sup>  
You got me falling like the rain

<sup>Eb</sup> <sup>F</sup> <sup>Cm</sup>  
As my body turns to water, water (water)

<sup>Gm</sup>  
I'm the canvas, you're the art

It's a mess when we're apart

<sup>Bb</sup>  
So lost, no

<sup>Gm</sup>  
When I see your silhouette

It's like sirens in my head

<sup>Bb</sup>  
Setting off, whoa

<sup>Gm</sup>  
There was a desert in my soul

But now my river overflows

<sup>Bb</sup>  
And I drown to get a little bit closer

<sup>Cm</sup> <sup>Dm</sup>  
Drawn to the flames, ain't nobody like you

You got me falling like the rain
