

New Order - Bizarre Love Triangle

Tom: C

(intro) F G Em

F G
Every time I think of you
Em Em F
I feel shot right through with a bolt of blue
G
It's no problem of mine but it's a problem I find
Em F
Living a life that I can't leave behind
G
There's no sense in telling me
Em F
The wisdom of a fool won't set you free

But that's the way that it goes
G
And it's what nobody knows
Em F
While every day my confusion grows

G
Every time I see you falling
Em F
I get down on my knees and pray
G
I'm waiting for that final moment
Em F
You'll say the words that I can't say
G

(picking) F G Em

F G

I feel fine and I feel good
Em F
I'm feeling like I never should
G
Whenever I get this way, I just don't know what to say
Em F
Why can't we be ourselves like we were yesterday
G
I'm not sure what this could mean
Em F
I don't think you're what you seem

I do admit to myself
G
That if I hurt someone else
Em F
Then I'll never see just what we're meant to be

G
Every time I see you falling
Em F
I get down on my knees and pray
G
I'm waiting for that final moment
Em F
You'll say the words that I can't say
F
