

# New Order - Bizarre Love Triangle

Tom: C

(intro) F G Em

F G  
Every time I think of you  
Em Em F G  
I feel shot right through with a bolt of blue  
Em F G  
It's no problem of mine but it's a problem I find

Em F G  
Living a life that I can't leave behind  
Em F G  
There's no sense in telling me  
Em F G  
The wisdom of a fool won't set you free

But that's the way that it goes

G  
And it's what nobody knows  
Em F G  
While every day my confusion grows

G  
Every time I see you falling  
Em F G  
I get down on my knees and pray  
G  
I'm waiting for that final moment  
Em F G  
You'll say the words that I can't say

(picking) F G Em

F G

I feel fine and I feel good

Em F  
I'm feeling like I never should

Whenever I get this way, I just don't know what to say

Em F  
Why can't we be ourselves like we were yesterday

G  
I'm not sure what this could mean

Em F  
I don't think you're what you seem

I do admit to myself

G  
That if I hurt someone else

Em F  
Then I'll never see just what we're meant to be

G  
Every time I see you falling

Em F  
I get down on my knees and pray

G  
I'm waiting for that final moment

Em F G  
You'll say the words that I can't say

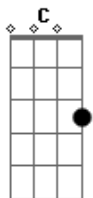

G  
Every time I see you falling

Em F  
I get down on my knees and pray

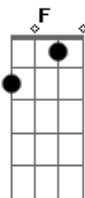

Em  
I'm waiting for that final moment

F G  
You'll say the words that I can't say
