G tom:

D
This is why events unnerve me
A
They find it all, a different story
D
Notice whom for wheels are turning
A
Turn again and turn towards this time
D
All she ask's the strength to hold me
A
Then again the same old story
D
Word will travel, oh so quickly
A
Travel first and lean towards this time
D
I'll break them all, no mercy shown

A
Heaven knows, it's got to be this time
D
Watching her, these things she said
A
The times she cried, too frail to wake this time
D
I'll break them down, no mercy shown
A
Heaven knows, it's got to be this time
D
Avenues all lined with trees
A
Picture me and then you start watching
D A D
Watching forever, forever
A D
Watching love grow, forever
A D A
Letting me know, forever
