

New Order - Krafty Solo

Tom: G

Tabbed by:Alberto González.
 I want to dedicate this tab to my girlfriend Carolyn who I love very very much (Yes I tabbed it out with her in mind): New Order songs remind her of me :">. I hope the tab is good enough for people to play and this tab would have never been possible if it wasn't for my cutie Carolyn (CC) I Love you!
 And I hope the rest of you enjoy this tab ;)
