C F G
I've watched your face for a long time
C
It's always the same
F G
I've studied the cracks and the wrinkles
C
You were always so vain
F F F G
Well, now you live your life like a shadow

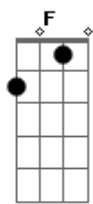

In the pouring rain
Dm
Oh, it's called love
G
Yes, it's called love
G Dm
Oh, it's called love
G
And it belongs to us
Dm
Oh, it dies so quickly
G
It grows so slowly

But when it dies, it dies for good
Dm G
It's called love

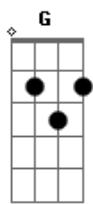

Dm G
And it belongs to everyone but us
C F C F
I've lived my life in the valleys
G
I've lived my life on the hills
C F
I've lived my life on alcohol
G
I've lived my life on pills
Dm
But it's called love

G
And it belongs to us
C Dm
It's called love
G
And it's the only thing that's worth living for
F G Dm
It's called love
G
And it belongs to us
C G Dm
It's called love
G G7 Dm E7 D7 G C G Dm G
Yes it's called love
C F
Oh, love is found in the east and west
G
But when love is at home, it's the best
C F
Love is the cure for every evil
G
Love is the air that supports the eagle
C F
It's called love
G
And it's so un-cool
F
It's called love
G
And somehow it's become unmentionable
F
It's called love
G
And it belongs to every one of us
F
It's called love
G
And it cuts your life like a broken knife
F
Oh love love love
G7
It's called love and it belongs to every one of us
F
It's called love love love
G7 F
It's called love and it belongs to every one of us
