

# New Order - This Time Of Night

tom:

Intro:

Bbm

We all feel the same  
 All pleasure nothing to gain  
 I've known you from the start  
 I've grown used to your wooden heart  
 Now you know my name  
 You search your empty brain in vain  
 If you don't change your ways  
 You'll end up here with me ungraced

Without you they'll never know  
 Without you my life won't flow  
 Without you they'll never show  
 Without you the night won't go  
 Without you I'm left alone  
 Without you I'm on my own  
 Without you I lay in pain  
 Without you I've gone insane

Now you must decide  
 What good's a lie when you've nothing to hide  
 Maps they'll never show  
 They're dumb like you, they never know

Bury your head and silence your cry  
 Know the feel of pain  
 Join our world and play our game

Without you they'll never know  
 Without you my life won't grow  
 Without you they'll never show  
 Without you the night won't go  
 Without you I'm left alone  
 Without you I'm on my own  
 Without you my life's a waste  
 Just for you I wrap my face  
 Without you I'm left alone  
 Without you I'm on my own  
 Without you I lay here in pain  
 Without you I've gone insane

Whatever you may think of me  
 Don't ever take my dignity  
 Whatever you may do to me
