

New Order - This Time Of Night

tom:

Intro:

Bbm

We all feel the same
 All pleasure nothing to gain
 I've known you from the start
 I've grown used to your wooden heart
 Now you know my name
 You search your empty brain in vain
 If you don't change your ways
 You'll end up here with me ungraced

Without you they'll never know
 Without you my life won't flow
 Without you they'll never show
 Without you the night won't go
 Without you I'm left alone
 Without you I'm on my own
 Without you I lay in pain
 Without you I've gone insane

Now you must decide
 What good's a lie when you've nothing to hide
 Maps they'll never show
 They're dumb like you, they never know

Bury your head and silence your cry
 Know the feel of pain
 Join our world and play our game

Without you they'll never know
 Without you my life won't grow
 Without you they'll never show
 Without you the night won't go
 Without you I'm left alone
 Without you I'm on my own
 Without you my life's a waste
 Just for you I wrap my face
 Without you I'm left alone
 Without you I'm on my own
 Without you I lay here in pain
 Without you I've gone insane

Whatever you may think of me
 Don't ever take my dignity
 Whatever you may do to me
