

New West - Peace Of Mind

tom:

Em

[Primeira Parte]

I?m getting pretty tired of writing all my songs about you
 But here I am again still not sure what I?m trying to prove
 I think I got my point across but got no answer from you
 I?m just accepting that I?m gonna have to start something new

[Refrão]

Just in case you were thinking about me on a Saturday night
 (Saturday night)
 I?m doing just fine

[Segunda Parte]

You broke my heart, broke it again, and put my health under stress
 You found someone then cut your hair and changed the way that you dress
 To each their own, live your best life, and I mean no disrespect

But I hope you found yourself under all of that mess

[Refrão]

Just in case you were thinking about me on a Saturday night
 (Saturday night)
 I?m doing just fine (I?m doing alright)
 And just in case you can?t sleep cause the memories still haunt you at night
 I hope that you find, your own peace of mind

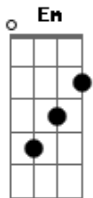

[Ponte]

I?m moving forward and looking back I have no regrets
 This is the last time I sing about you until I see you again

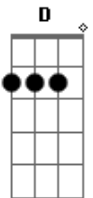

[Refrão]

Just in case you were thinking about me on a Saturday night
 (Saturday night)
 I?m doing just fine (I?m doing alright)
 And just in case you can?t sleep cause the memories still haunt you at night
 I hope that you find, your own peace of mind
