

Newholly - To All The Kids

Tom: **A**

To all the kids, to all the kids

A Gbm Dm E

To all the kids that tomorrow might me alone,

A Gbm Dm E

To all the kids that tomorrow might not come home

(**A D7**)

A7 D7

I?m lonely tonight, she?s not by my side,

A7 Gbm D Dm

And suddenly I can remember the reason why I cry,

A7 D7 A7 Gbm

Cause everyday I call her to say that I am waiting for an answer,

D Dm

But she never tells me why,

B7 D7

I?m playing music tonight

(**A D7**)

A7 D7 A7

Whatever I do I can?t seem to move,

Gbm D Dm

And all I wanted was to tell her that we would be all right,

A7 D7 A7 Gbm

Well I had to try, I?d made up my mind, and I had all my love to send her

D Dm

But she ran away that night,

B7 D7

I?m playing music tonight

A Gbm Dm E

To all the kids that tomorrow might me alone,

A Gbm Dm Db7 Gbm

To all the kids that tomorrow might not come home,

B7 D7

To someone make them feel at home

A Gbm Dm E

(To all the kids), make them feel at home

A Gbm Dm Db7 Gbm E

(To all the kids), make them feel at home

B7 D7

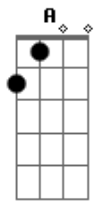

Yeah, make them feel at home

A7 D7 A7

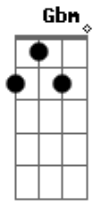

To all the kids

[Solo] **A7 D7 A7 D7 A7 D7 E7**
