

Newsboys - Save Your Life

Tom: E
Intro: Dbm E B

Dear friend, you been trying again
 Doing whatever it takes to fit in
 Falling, for the lies of the world
 You tell me you'd pay anything just to not hurt
 What you want, I ain't got
 What I had, can't be bought

tabrefrão

There's something better I can give
 If you surrender you will live
 Just gotta taste and see it's good
 I'd make you see it if I could
 Gonna save your life
 Gonna save your life
 refrão

Dear friend, I'd be lying to you
 If I told you each road that we traveled would be smooth
 Sometimes, you just wanna give up
 Tryin, and tryin, but nothing is ever enough

Chasing things, what for, you've seen it all but want more

(Chorus)

I can see now you want this, and you know that you need this
 Get away from the darkness
 Get away from the darkness
 I can see now you want this, and you know that you need this
 Get away from the darkness
 Gotta know who Christ is

(Chorus)

It's gonna save your life
 (It doesn't matter with this life)
 It's gonna save your life
 (It doesn't matter with this life, oh)
 It's gonna save your life
 (It doesn't matter with this life)
 It's gonna save your life
 (It doesn't matter with this life)
 It's gonna, it's gonna save your life
