

Juice Newton - Angel Of The Morning

Tom: **Ab** just touch my cheek before you leave me, ba-by.

(com acordes na forma de G) Just call me angel of the morning an-gel
 Capotraste na 1ª casa then slowly turn away from me.

There'll be no strings to bind your hands not if my love can't bind your heart. Maybe the sun's light will be dim and it won't matter anyhow. If morning's echo says we've sinned, well, it was what I wanted now.

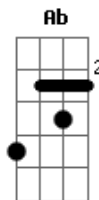

And there's no need to take a stand for it was I who chose to start. And if we're the victims of the night, I won't be blinded by light.

I see no need to take me home, I'm old enough to face the dawn. Just call me angel of the morning angel just touch my cheek before you leave me, baby.

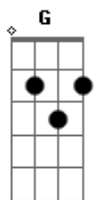

Just call me angel of the morning an-gel then slowly turn away, I won't beg you to stay with me through the tears of the day, of the years, baby baby baby.

Just call me angel of the morning angel just touch my cheek before you leave me, baby.
