

Ney Matogrosso - Doce Vampiro

Tom: G
Intro: A7 G7 A7 G7 C- D- A7

Venha me beijar
Meu doce vampiro, ououuu
Na luz do luar
Ahaaa, venha sugar o calor
De dentro do meu sangue vermelho
Tão vivo tão eterno veneno
Que mata sua sede
Que me bebe quente
Como um licor

Brindando a morte
E fazendo amor
Meu doce vampiro, ououuu
Na luz do luar
Ahaaa, me acostumei com você
Sempre reclamando da vida
Me ferindo me curando a ferida
Mas nada disso importa
Vou abrir a porta pra você entrar
Beijar minha boca até me matar
