

Niall Horan - Arms Of A Stranger

tom:
 C
 I never thought that I would find out
 C D Em
 We were just lovers in the dark
 C D Em
 You've known someone?for a long time
 C D Em
 But you never really know who?they are
 C D Em
 It feels like it was only last week
 C D Em
 I was trippin' right into your heart
 C D Em
 If we're not gonna do this honestly
 C D Em
 Baby, won't you give me back what you took apart?

C D Em
 When I was on my knees in the darkness
 C D Em
 Yeah, you'd be there to break my fall
 C D Em
 But now, I'm lyin' here so helpless
 C D Em
 But somehow, I just still want more

D
 You left me with nothing
 Em C
 Now I'm lyin' in the arms of a stranger
 D
 But why do I think of you?
 C
 You left me with nothing
 Em C
 Now I'm lookin' in the eyes of a stranger
 D
 Just tryna get over you
 C
 Yeah, you left me with nothing

D Em
 I chase an old love just to feel loved
 C D Em
 But it gave me nothin' that was real
 C D Em
 No matter what I give, it's not enough
 C D Em
 But I guess I'm holdin' onto you still

C D Em
 When I was on my knees in the darkness
 C D Em
 Yeah, you'd be there to break my fall

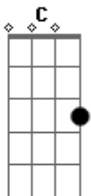

C D Em
 But now, I'm lyin' here so helpless
 C D Em
 But somehow, I just still want more

D
 You left me with nothing
 Em C
 Now I'm lyin' in the arms of a stranger
 D
 But why do I think of you?
 C
 You left me with nothing
 Em C
 Now I'm lookin' in the eyes of a stranger
 D
 Just tryna get over you
 C
 Yeah, you left me with nothing

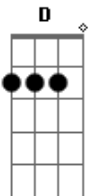

C
 Standin' out in the crowd
 D
 Nobody can hear me now
 Em
 I'm tryna get over you
 C
 Standin' out in the crowd
 D
 If only you could see me now
 Em
 I'm tryna get over you

D
 You left me with nothing
 Em C
 Now I'm lyin' in the arms of a stranger
 D
 But why do I think of you?
 C
 You left me with nothing
 Em C
 Now I'm lookin' in the eyes of a stranger
 D
 Just tryna get over you
 C
 Yeah, you left me with nothing
 D
 You left me with nothing, yeah
 C
 You left me with nothing
 Em C
 And now I'm lookin' in the eyes of a stranger
 D
 Just tryna get over you
 C
 Yeah, you left me with nothing
 D
 You left me with nothing
