

Niall Horan - Dress

tom:
 Capostraste na 1ª casa
 Ab (forma dos acordes no tom de G)

I keep staring at that little white number
 You left here in the summer

Hanging in my wardrobe
 Do you still want it?
 Do you still want it?

I know that I did you the service
 Of calling 'cause I'm nervous

I know that we don't talk
 I know that it's on purpose

Do you still want it?
 But I'm holding on

Maybe it's time to put your dress away

Or leave it out
 Maybe it's time that I give you space

I just wanna see it
 Back on your body

Watch you dance around and
 Tell you I'm sorry
 Maybe it's time to put your dress away

Even if I don't want to, babe

(C G Em D)

I keep staring at that little white number
 The one in the picture

When we lose our temper
 You'd look at it for hours

But do you still want it?
 You smile on the staircase and you open the door
 Kissing on the couch

Make up in the drawer
 Darling, do you still want it?

But I'm holding on

Maybe it's time to put your dress away

Or leave it out
 Maybe it's time that I give you space

I just wanna see it
 Back on your body

Watch you dance around and
 Tell you I'm sorry
 Maybe it's time to put your dress away

Even if I don't want to, babe

La-la-la-la la la-la la
 La-la-la-la la la-la la
 La-la-la-la la la-la la
 La-la-la-la la la-la la
 La-la-la-la la la-la la

I know, you know, we both want it, babe
 I know, you know, we both want it, babe

But I just wanna see it
 Back on your body

Watch you dance around and
 Tell you I'm sorry
 Maybe it's time to put your dress away

Even though I don't wanna, babe
