

# Niall Horan - Everywhere

tom:  
Capostrate na 7ª casa

D (forma dos acordes no tom de G )

You walk into the room, I go quiet  
I catch your eyes and don't blink an?eyelid  
Feels?like the world?locked us on an island  
An island?without waves

I try and try to forget you  
But your mother thinks I'm the best for you  
Try and try to erase you  
But you won't disappear

Feels like every time I turn a corner, you're standin' right there  
Over my shoulder, you're everywhere  
I swear it's hard to think, it's hard to breathe when you're in the air  
I try to run, but you're everywhere I go  
When I think I'm all alone  
And my heart's under control  
Why is lovin' you not fair?  
You're everywhere

The ground beneath my feet's a bit colder  
I see your face in people I don't know  
Feels like the world is twistin' in slo-mo  
And I'm stuck in one place

I try and try to forget you  
But your mother thinks I'm the best for you  
Try and try to erase you

But you won't disappear

Feels like every time I turn a corner, you're standin' right there  
Over my shoulder, you're everywhere  
I swear it's hard to think, it's hard to breathe when you're in the air  
I try to run, but you're everywhere I go  
When I think I'm all alone  
And my heart's under control  
Why is lovin' you not fair?  
You're everywhere

Everywhere  
Everywhere I go  
But you're still not here  
And you're still not here

Feels like every time I turn a corner, you're standin' right there  
I swear it's hard to think, it's hard to breathe when you're in the air  
Feels like every time I turn a corner, you're standin' right there  
Over my shoulder, you're everywhere (Yeah)  
I swear it's hard to think, it's hard to breathe when you're in the air  
I try to run, but you're everywhere I go  
When I think I'm all alone (All alone)  
And my heart's under control (Oh no)  
Why is lovin' you not fair?  
You're everywhere  
You're everywhere
