

# Niall Horan - Everywhere

tom:

A (forma dos acordes no tom de G )

Capostrate na 2ª casa

You walk into the room, I go quiet  
 I catch your eyes and don't blink an eyelid  
 Feels like the world locked us on an island  
 An island without waves  
 I try and try to forget you  
 But your mother thinks I'm the best for you  
 Try and try to erase you  
 But you won't disappear

Feels like every time I turn a corner, you're standin' right there  
 Over my shoulder, you're everywhere  
 I swear it's hard to think, it's hard to breathe when you're in the air  
 I try to run, but you're everywhere I go  
 When I think I'm all alone  
 And my heart's under control  
 Why is lovin' you not fair?  
 You're everywhere

The ground beneath my feet's a bit colder  
 I see your face in people I don't know  
 Feels like the world is twistin' in slo-mo  
 And I'm stuck in one place  
 I try and try to forget you  
 But your mother thinks I'm the best for you  
 I try and try to erase you

But you won't disappear  
 Feels like every time I turn a corner, you're standin' right there  
 Over my shoulder, you're everywhere  
 I swear it's hard to think, it's hard to breathe when you're in the air  
 I try to run, but you're everywhere I go  
 When I think I'm all alone  
 And my heart's under control  
 Why is lovin' you not fair?  
 You're everywhere  
 Everywhere  
 Everywhere I go  
 But you're still not here  
 And you're still not here  
 Feels like every time I turn a corner, you're standin' right there  
 I swear it's hard to think, it's hard to breathe when you're in the air  
 Feels like every time I turn a corner, you're standin' right there  
 Over my shoulder, you're everywhere (Yeah)  
 I swear it's hard to think, it's hard to breathe when you're in the air  
 I try to run, but you're everywhere I go  
 When I think I'm all alone (All alone)  
 And my heart's under control (Oh no)  
 Why is lovin' you not fair?  
 You're everywhere  
 You're everywhere
