

Niall Horan - Everywhere

tom:

A (forma dos acordes no tom de G)

Capostrate na 2ª casa

You walk into the room, I go quiet
 I catch your eyes and don't blink an eyelid
 Feels like the world locked us on an island
 An island without waves
 I try and try to forget you
 But your mother thinks I'm the best for you
 Try and try to erase you
 But you won't disappear

Feels like every time I turn a corner, you're standin' right there
 Over my shoulder, you're everywhere
 I swear it's hard to think, it's hard to breathe when you're in the air
 I try to run, but you're everywhere I go
 When I think I'm all alone
 And my heart's under control
 Why is lovin' you not fair?
 You're everywhere

The ground beneath my feet's a bit colder
 I see your face in people I don't know
 Feels like the world is twistin' in slo-mo
 And I'm stuck in one place
 I try and try to forget you
 But your mother thinks I'm the best for you
 I try and try to erase you

But you won't disappear
 Feels like every time I turn a corner, you're standin' right there
 Over my shoulder, you're everywhere
 I swear it's hard to think, it's hard to breathe when you're in the air
 I try to run, but you're everywhere I go
 When I think I'm all alone
 And my heart's under control
 Why is lovin' you not fair?
 You're everywhere
 Everywhere
 Everywhere I go
 But you're still not here
 And you're still not here
 Feels like every time I turn a corner, you're standin' right there
 I swear it's hard to think, it's hard to breathe when you're in the air
 Feels like every time I turn a corner, you're standin' right there
 Over my shoulder, you're everywhere (Yeah)
 I swear it's hard to think, it's hard to breathe when you're in the air
 I try to run, but you're everywhere I go
 When I think I'm all alone (All alone)
 And my heart's under control (Oh no)
 Why is lovin' you not fair?
 You're everywhere
 You're everywhere
