[Primeira Parte]

C G  
 I swear there was lightnin' comin'  
 F  
 from your eyes  
 G  
 Startin' a fire in our hotel room  
 C G  
 And?yeah,?we were dancin',?dancin' to  
 F  
 Bruno

G  
 And I couldn't turn?away from you  
 C G  
 Yeah, I saw you smilin', breakin' the  
 F  
 silence

G  
 Tellin' me just what you want  
 C G F  
 There in the moment, I was reminded  
 G C  
 I haven't felt this way in a while

[Refrão]

G F  
 Blinded by the sparks  
 G C  
 We were drivin' around in the dark  
 G F G  
 Findin' reasons to stay where we are  
 C G  
 All of my life, I've been sleepwalk livin'  
 F G  
 Runnin' around the same bars I've been in  
 C G  
 It can be so lonely in this city  
 F G  
 But it feels different when you're with me  
 C G  
 All of my life, it's been heartbreak weather  
 F G  
 Thinkin' to myself, it won't get better  
 C G  
 It can be so lonely in this city  
 F G  
 But it feels different when you're with me

[Segunda Parte]

C G  
 Yeah, it was magic  
 F G  
 You were a vision, watchin' the way your body moves  
 C G  
 You're takin' your clothes off, you  
 F  
 look in the mirror

G  
 Tellin' me just what you want

[Refrão]

C G F  
 And I was blinded by the sparks  
 G C  
 I was holdin' you close in the dark  
 G F G  
 Findin' reasons to stay where we are  
 C G  
 All of my life, I've been sleepwalk livin'  
 F G  
 Runnin' around the same bars I've been in  
 C G  
 It can be so lonely in this city

 Thinkin' to myself, it won't get better  
 C G  
 It can be so lonely in this city  
 F G  
 But it feels different when you're with me

[Ponte]

C  
 You, that's what I've been missin'  
 G  
 Words tangled up and twisted  
 F  
 Now, all the clouds been lifted  
 G  
 Lately, my heart's been so empty  
 C  
 You, that's what I've been missin'  
 G  
 Words tangled up and twisted  
 F  
 Now, all the clouds been lifted  
 G  
 Lately, my heart's been so empty  
 F G  
 But it feels different when you're with me  
 ( C G F G C G )

F G  
 It feels different when you're with me
