

# Niall Horan - Mirrors

Tom: D

G D  
She closed door

G D G  
She hides behind the face nobody knows

D A  
She feels her skin touch the floor

G D  
She wants to fight

G D G  
Her eyes are tired, nobody's on her side

D A  
She wants to feel like she did before

Bm  
She looks into her mirror

D A  
Wishing someone could hear her, so loud

Em G D A  
And I, need love, to hold me closer

Em G D  
In the night, just enough

Em G D A  
I, need love, to hold me closer

Em G D  
In the night, just enough

A Em G  
To feel my body come alive

D A  
When my bones starts breaking, my heart starts shaking

Em G D A  
I need love, need love

G D  
The coffee's cold

G D G  
He turns around and says: I hope you know

D A  
You're beautiful, have you ever been told

G D  
She's a little shy

G D G  
As he walks away, she slowly breaks a smile

D A  
The skies are blue, haven't been for a while

Bm  
She looks into her mirror

D A  
Wishing someone could hear her, so loud

Em G D A  
And I, need love, to hold me closer

Em G D  
In the night, just enough

Em G D A  
I, need love, to hold me closer

Em G D  
In the night, just enough

A Em G  
To feel my body come alive

D A  
When my bones starts breaking, my heart starts shaking

Em G D A  
I need love, need love

Em G D A  
Oh, oh woa

Em G D A  
Oh, oh woa

G D  
She closed door

G D G  
She hides behind the face nobody knows

D A  
She feels her skin touch the floor

Em G D A  
I, need love, to hold me closer

Em G D  
In the night, just enough

A Em G  
To feel my body come alive

D A  
When my bones starts breaking, my heart starts shaking

Em G D A  
I need love, need love
