

# Niall Horan - Our Song (feat. Anne-Marie)

tom:

Bm

[Primeira Parte]

I'll be honest, I'm alright with me  
 Sunday mornings, in my own bedsheets  
 I've been waking up alone  
 I haven't thought of her for days  
 I'll be honest, it's better off this way

[Pré-Refrão]

But every time I think that  
 I can get you out my head  
 You never ever let me forget 'cause

[Refrão]

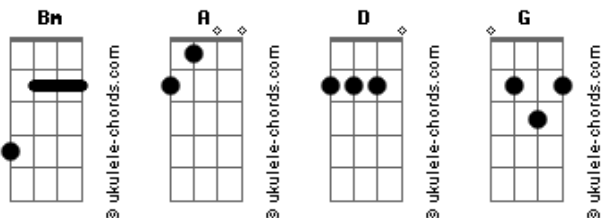

Just when I think you're gone  
 Hear our song on the radio  
 Just like that, takes me back  
 To the places we used to go  
 And I've been trying  
 But I just can't fight it  
 When I hear it  
 I just can't stop smiling  
 I remember you're gone, baby  
 It's just the song on the radio  
 That we used to know

[Segunda Parte]

I'll be honest, I'm alright with me  
 Sunday mornings, in my own white tee  
 I've been waking up alone  
 I haven't thought of him for days  
 I'll be honest, ha  
 It's better off this way

[Pré-Refrão]

## Acordes

Every time I think that  
 I can get you out my head  
 You never ever let me forget 'cause

[Refrão Final]

Just when I think you're gone  
 Hear our song on the radio  
 Just like that, takes me back  
 To the places we used to go  
 And I've been trying  
 But I just can't fight it  
 When I hear it  
 I just can't stop smiling  
 I remember you're gone, baby  
 It's just the song on the radio  
 That we used to know

Just when I think you're gone  
 Hear our song on the radio  
 Just like that, takes me back  
 To the places we used to go

And I've been trying  
 But I just can't fight it  
 When I hear it  
 I just can't stop smiling  
 I remember you're gone, baby  
 It's just the song on the radio  
 And I've been trying  
 But I just can't fight it (ooh)  
 When I hear it  
 I just can't stop smiling (ooh)  
 I remember you're gone, baby  
 It's just the song on the radio  
 That we used to know
