

# Niall Horan - This Town

Tom: A

(com acordes na forma de G )

Capostrate na 2ª casa

Verso 1:

**G**  
Waking up to kiss you and nobody's there  
**Em**  
The smell of your perfume still stuck in the air  
**C**  
It's hard  
**G**  
Yesterday I thought I saw your shadow running round  
**Em**  
It's funny how things never change in this old town  
**C** **D**  
So far from the stars

Pré-Refrão:

**Am** **D**  
And I want to tell you everything  
**G** **D** **Em**  
The words I never got to say the first time around  
**Am** **D**  
And I remember everything  
**G** **D** **Em**  
From when we were the children playing in this fairground  
**C**  
Wish I was there with you now

Refrão:

**Em**  
If the whole world was watching I'd still dance with you  
**C**  
Drive highways and byways to be there with you  
**G**  
Over and over the only truth  
**Em** **D** **G** **C**  
Everything comes back to you  
**Em** **D** **G**  
Mmm-mm-mm

Verso 2:

**G**  
I saw that you moved on with someone new  
**Em**  
In the pub that we met he's got his arms around you  
**C**  
It's so hard  
**D**  
So hard

Pré-Refrão:

**Am** **D**  
And I want to tell you everything  
**G** **D** **Em**  
The words I never got to say the first time around

**Am** **D**  
And I remember everything  
**G** **D** **Em**  
From when we were the children playing in this fairground  
**C**  
Wish I was there with you now

Refrão:

**Em**  
If the whole world was watching I'd still dance with you  
**C**  
Drive highways and byways to be there with you  
**G**  
Over and over the only truth  
**Em** **D** **G** **C**  
Everything comes back to you  
**G**  
You still make me nervous when you walk in the room  
**Em**  
Them butterflies they come alive when I'm next to you  
**C**  
Over and over the only truth  
**Em** **D** **G** **C**  
Everything comes back to you  
**Em** **D** **G**  
Mmm-mm-mm

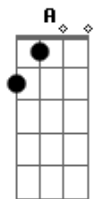

Ponte:

**Em** **D**  
And I know that it's wrong  
**G**  
That I can't move on  
**C**  
But there's something about you

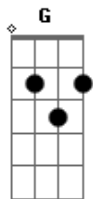

Refrão:

**Em**  
If the whole world was watching I'd still dance with you  
**C**  
Drive highways and byways to be there with you  
**G**  
Over and over the only truth  
**Em** **D** **G** **C**  
Everything comes back to you  
**G**  
You still make me nervous when you walk in the room  
**Em**  
Them butterflies they come alive when I'm next to you  
**C**  
Over and over the only truth  
**Em** **D** **G** **C**  
Everything comes back to you  
**Em** **D** **G**  
Mmm-mm-mm  
**Em** **D** **G** **C**  
Everything comes back to you  
**Em** **D** **G**  
Mmm-mm-mm
