

Nick Drake - Clothes Of Sand

tom:

G

G2 F G2 F

G2 Who has dressed you in strange clothes of sand?

Eb7M Who has taken you far from my land?

G2 Who has said that my sayings are wrong

Eb7M And who will say that I stayed much too long

CHORUS:

Eb7M Clothes of sand have covered your face

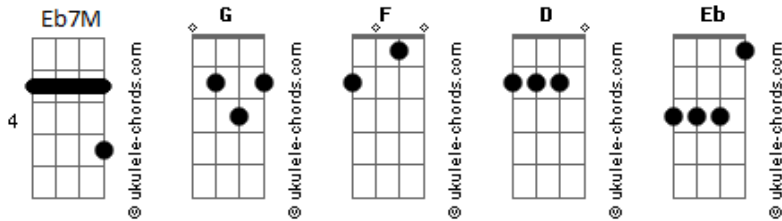

Eb7M Given you meaning but taken my place

Eb7M So make your way on down to the sea

Eb7M Something has taken you so far from me

Does it now seem worth all the colour of skies
To see the earth through painted eyes
To look through panes of shaded glass

Acordes

See the stains of winter's grass?

Can you now return to from where you came
Try to burn your changing name
Or with silver spoon and coloured light
Will you worship moons in winter's night

CHORUS:

Clothes of sand have covered your face
Given you meaning but taken my place
So make your way on down to the sea
Something has taken you so far from me G2 F

NOTES: My ear isn't good enough to give the full picking pattern, but listen to the record and you can get very close. It is important to emphasise the base note (the bottom note of each chord). Also, before playing the Eb7M chord, always hit the 6th string open base note first (D) then the Eb base note then the rest of the picking pattern.
