Who can know
 The thoughts of Mary jane
 Why she flies
 Or goes out in the rain
 Where she's been
 And who she's seen
 In her journey to the stars

Who can know
 The reasons for her smile
 What are her dreams
 When they've journeyed for a mile

The way she sings
 And her brightly coloured rings

Make her the princess of the sky

Who can know
 What happens in her mind
 Did she come from a strange world
 And leave her mind behind
 Her long lost sighs
 And her brightly coloured eyes
 Tell her story to the wind

Who can know
 The thoughts of Mary jane
 Why she flies
 Or goes out in the rain
 Where she's been
 And who she's seen
 In her journey to the stars
