I watched life inside of you grow  
A Abm7  
Every month a little bit bigger  
Em7 Bbm7  
All the things that bothered your soul  
A Abm7  
Make me smile and go crazy

Em7 Bbm7  
I wanted to start it with you  
A Abm7  
But someone said we ain't ready  
Em7 Bbm7  
I admit inside me lives fear  
A Abm7 Gm7  
Fear I never wanted to show you

Gbm7 Abm7  
They haunt all of my dreams  
Bbm7 A  
The green twins with your eyes  
Gbm7 Abm7  
They haunt all of my dreams  
Bbm7 A

The green twins with your eyes

Em7 Bbm7  
We could've moved to L.A.  
A Abm7  
It's always sunny right out there  
Em7 Bbm7  
If I had it my way  
A Abm7  
We would've stayed where we started

Em7 Bbm7  
I wanted to start it with you  
A Abm7  
But someone said we ain't ready  
Em7 Bbm7  
I admit inside me lives fear  
A Abm7 Gm7  
Fear I never wanted to show you

Gbm7 Abm7  
They haunt all of my dreams  
Bbm7 A  
The green twins with your eyes  
Gbm7 Abm7  
They haunt all of my dreams
