

Nick Jonas - Avalanche (feat. Demi Lovato)

Tom: C

Am F C G

Words like a loaded gun (oh, oh)
Shot out from a fire tongue (oh, oh)
Love lost from a fight that was won (oh, oh)
And I can see you breaking down
The end to a falling out

Am F C G

I got pride, you can't hold your breath
We'll crash down like an avalanche

Am F C G

Look out now, don't take one more step
We'll crash down like an avalanche, avalanche

Am F C G

I never wanted it to turn out this way
Now forever feels like yesterday
Sorry is something that I just can't say
Can you see me breaking down?
The end to a falling out

Am F C G

I got pride you can't hold your breath
(Even if we survive)
We'll crash down like an avalanche
(Crash down, crash down)

Am F C G

Look out now, don't take one more step
(Even if we survive)
We'll crash down like an avalanche, avalanche
(Crash down, crash down)

Am F C G

Oh, we'll crash down, yeah
Oh, like an avalanche

Am F C G

I got pride, you can't hold your breath
We'll crash down like an avalanche, oh

Am F C G

I got pride you can't hold your breath
(Even if we survive)
We'll crash down like an avalanche
(Crash down, crash down)

Am F C G

Look out now, don't take one more step
(Even if we survive)
We'll crash down like an avalanche, avalanche
(Crash down, crash down)

Am F C G

Oh, we'll crash down, crash down
Oh, just like an avalanche
