

# Nick Jonas - Find You

Tom: A

Gbm E D  
 I look for you in the center of the sun  
 D E Gbm  
 I took a pill but it didn't help me numb  
 Gbm E D  
 I see your face even when my eyes are shut  
 Bm E Gbm  
 But I never really know just where to find you  
 Gbm E D  
 I chase the words that keep falling out your mouth  
 D E Gbm  
 You got a logic I'll never figure out  
 Gbm E D  
 If I could hold you then I'd never put you down  
 Bm E Gbm  
 But I never really know just where to find you  
 ( Gbm E D )

D E Gbm  
 Where to find you  
 Gbm E D  
 Where to find you  
 Bm E Gbm  
 But I never really know just where to find you  
 Gbm E D  
 Try, try, try, but I-  
 D E Gbm  
 Try, try, try, but I, but I-  
 Gbm E D  
 Try, try, try, but I-  
 Bm E Gbm  
 But I never really know just where to find you

Gbm E D  
 You think you know how to get under my skin  
 D E Gbm  
 It's good for now but it's never permanent  
 Gbm E D  
 Knock on the door but there's no one listening  
 Bm E Gbm  
 And I never really know just where to find you  
 Gbm E D  
 You look for love but you never really try  
 D E Gbm  
 You say it's not but it's always on your mind  
 Gbm E D  
 Keep chasing gold but you lose a silver line  
 Bm E Gbm

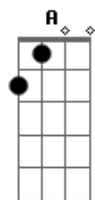

And I never really know just where to find you  
 ( Gbm E D )

D E Gbm  
 Where to find you  
 Gbm E D  
 Where to find you  
 Bm E Gbm  
 But I never really know just where to find you  
 Gbm E D  
 Try, try, try, but I-  
 D E Gbm  
 Try, try, try, but I, but I-  
 Gbm E D  
 Try, try, try, but I-  
 Bm E Gbm  
 But I never really know just where to find you

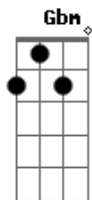

Gbm E D  
 Maybe I'm chasing a feeling  
 D E Gbm  
 Maybe I don't even need it  
 Gbm E D Bm E Gbm  
 Maybe you're looking for me tonight, tonight  
 Gbm E D  
 I look for you in the center of the sun  
 D E Gbm  
 I took a pill but it didn't help me numb  
 Gbm E D  
 I see your face even when my eyes are shut  
 Bm E Gbm  
 But I never really know just where to find you  
 ( Gbm E D )

D E Gbm  
 Where to find you  
 Gbm E D  
 Where to find you  
 Bm E Gbm  
 But I never really know just where to find you  
 Gbm E D  
 Try, try, try, but I-  
 D E Gbm  
 Try, try, try, but I, but I-  
 Gbm E D  
 Try, try, try, but I-  
 Bm E Gbm  
 But I never really know just where to find you
