

# Nick Jonas - Jealous

Tom: G

( A Bm G )

I don't like the way he's looking at you

I'm starting to think you want him too  
Am I crazy? Have I lost ya?

Even though I know you love me  
Can't help it

I turn my cheek, music up

And I'm puffing my chest

I'm getting ready to face you

Can call me obsessed

It's not your fault that they hover

I mean no disrespect

It's my right to be hellish

I still get jealous

'Cause you're too sexy, beautiful  
And everybody wants a taste

That's why (that's why)

I still get jealous

'Cause you're too sexy, beautiful  
And everybody wants a taste

That's why (that's why)

I still get jealous

( A Bm G )

I wish you didn't have to post it all

I wish you'd save a little bit just for me

Protective or possessive (yeah)

Call it passive or aggressive

I turn my cheek, music up

And I'm puffing my chest

I'm getting ready to face you
