Full speed, swerve off track
Am Can't breathe
Where you at? Where you at? Where you at?
Ain't no way to take you back
I've become this heart attack
Everywhere I see your face
And it kills me everyday

[Chorus:] x2
F So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you
