I, I'm driving black on black
 Just got my license back
 I got this feeling in my veins this train is coming off the track
 I'll ask polite if the devil needs a ride
 Because the angel on my right ain't hanging out with me tonight

D G C (2x)

I'm driving past your house while you were sneaking out
 I got the car door opened up so you can jump in on the run
 Your mom don't know that you were missing
 She'd be pissed if she could see the parts of you that i've been kissing
 Screamin'

No, we're never gonna quit
 Ain't nothing wrong with it
 Just acting like we're animals
 No, no matter where we go
 'cause everybody knows
 We're just a couple of animals

D F C G (4x)

So come on baby, get in
 Get in, just get in
 Check out the trouble we're in

You're beside me on the seat
 Got your hand between my knees
 And you control how fast we go by just how hard you wanna squeeze
 It's hard to steer when you're breathing in my ear
 But i got both hands on the wheel while you got both hands on

my gears

By now, no doubt that we were heading south

D G C (2x)

I guess nobody ever taught her not to speak with a full mouth
 'cause this was it, like flicking on a switch
 It felt so good i almost drove into the ditch
 I'm screamin'

So come on baby, get in
 Get in, just get in
 Look at the trouble we're in

We were parked out by the tracks
 We're sitting in the back
 And we just started getting busy
 When she whispered "what was that?"
 The wind, i think 'cause no one else knows where we are
 And that was when she started screamin'
 "that's my dad outside the car!"

D G C (2x)

Oh please, the keys, they're not in the ignition
 Must have wound up on the floor while
 We were switching our positions
 I guess they knew that she was missing
 As i tried to tell her dad it was her mouth that i was kissing
 Screamin'
